### PREFERRED PRICING

#### Complete identity protection

- **\$9.95** per month – employees and dependents save over 30% off retail

### You Will Receive:

#### SNAPD<sup>®</sup> Identity Monitoring

By leveraging the nation's largest, cross-industry identity network, we monitor your SNAPD identity blueprint (an acronym for Social Security number, Name, Address, Phone and Date of birth) against over 700 billion data elements from sources such as new credit cards, wireless accounts, retail credit accounts, automobile loans, mortgage loans, payday loans, check and check reorders, utility accounts and change of address requests.

InfoArmor is capable of identifying anomalies indicative of fraudulent activity up to 90 days sooner than credit monitoring. This patented technology makes InfoArmor's identity protection more than enough to stand up to 21st century crime.

#### Solicitation Reduction

Take preventative measures to protect your identity from up to 20% of fraud by reducing junk mail, stopping pre-approved credit offers, and ending telemarketing calls.

#### Privacy Advocate<sup>®</sup> Remediation

Our Privacy Advocates provide world-class customer service. They will act as a dedicated case manager to act on your behalf to resolve the issue from start to case completion. If we do discover suspicious activity we will always call you to discuss the fraudulent activity and discuss next steps. They will also implement preventative steps to proactively prevent fraud. **They are CITRMS<sup>®</sup> Certified and ITRC Trained** to be experts in identity restoration.

#### Out of Pocket Expense Coverage

Protect yourself from the financial damages of identity theft with our \$25,000 identity fraud reimbursement policy that is underwritten by Travelers Insurance.

#### IdentityMD Access

Whether it is learning about ID theft, protecting a wallet's contents, or even restoring an identity following fraudulent events, IdentityMD is designed to offer interactive, step-by-step assistance, reminders, tips and tools for identity restoration.
